Second Permanent Under Secretary of State (2nd PUS) Sir Ian Andrews visits Drumgrange Ltd at Defence Systems and Equipment International

DRUMGRANGE Ltd was visited by Sir Ian Andrews 2nd PUS at the opening day of DSEi. Sir Ian was keen to engage with Small to Medium Enterprises and chose the Chertsey-based software systems design company as one of those he called upon.

George Howe, Drumgrange Managing Director, said: "The visit of Sir Ian to Drumgrange Ltd clearly demonstrates the MoD's commitment to SMEs and their future success in the Defence Industry".

Drumgrange supplies innovative systems and equipment to Defence Agencies and leading electronics companies in the fields of Communications, Precise Time and Navigation, Night Vision, Trainers/Simulators, Sonar, EW and Monitoring Systems and has a number of systems in service with the UK armed forces.
